v.

N.V., FCA US LLC, V.M. MOTORI
S.p.A., and V.M. NORTH AMERICA,
INC.,

CASE NO. 3:19-CV-00151

SECOND CALIFORNIA PARTIAL CONSENT
DECREE

WHEREAS, Plaintiff the People of the State of California (the “State of California”),
acting by and through Xavier Becerra, Attorney General of the State of California (“the California
Attorney General,” as specifically defined below), and the California Air Resources Board

1 (“CARB,” as specifically defined below) (collectively “California”) filed a complaint (the
 2 “California Complaint”) in this action on January 9, 2019, against Fiat Chrysler Automobiles N.V.,
 3 FCA US LLC, V.M. Motori S.p.A, and V.M. North America, Inc. (collectively, “Defendants,” as
 4 specifically defined below), alleging in relevant part that, in connection with the certification,
 5 marketing, distribution, and sale in California of approximately 14,000 model year (“MY”) 2014 to
 6 2016 Ram 1500 and MY 2014 to 2016 Jeep Grand Cherokee vehicles equipped with 3.0 liter
 7 EcoDiesel engines (the “Subject Vehicles,” as specifically defined below), Defendants violated 42
 8 U.S.C. § 7604(a)(1); California Health and Safety Code §§ 43016, 43151, 43152, 43153, 43154,
 9 43205, 43211, and 43212; 13 C.C.R. §§ 1961, 1961.2, 1965, 1968.2, and 2037 and the 40 C.F.R.
 10 sections incorporated therein by reference; and California Business and Professions Code §§ 17200
 11 et seq., 17500 et seq., and 17580.5 (the “California Claims”);

12 **WHEREAS**, the California Complaint alleges, in relevant part, that each Subject Vehicle
 13 contains, as part of the electronic control module, certain software functions and calibrations that
 14 cause the emission control system of those vehicles to perform differently (i.e., to underperform or
 15 shut off) during normal vehicle operation and use, as compared to during emissions testing. The
 16 California Complaint alleges that these software functions and calibrations are undisclosed
 17 Auxiliary Emission Control Devices (“AECDs”) in violation of California and federal law, and that
 18 they are also prohibited defeat devices under California and federal law. The California Complaint
 19 also alleges that during normal vehicle operation and use, the Subject Vehicles emit increased
 20 levels of oxides of nitrogen (“NOx”). The California Complaint seeks, among other things, civil
 21 penalties, injunctive relief, mitigation, costs and other equitable relief related to the presence of the
 22 defeat devices in the Subject Vehicles;

23 **WHEREAS**, Defendants and California intend to resolve certain aspects of the California
 24 Claims through the entry of: (1) a consent decree among the United States, California, and the
 25 Defendants (the “FCA/US/CA Consent Decree”) concerning the Subject Vehicles, lodged on
 26 January 10, 2019, that, among other things, establishes a recall program offering consumers an
 27 approved emissions modification to be applied to the Subject Vehicles, establishes a post-entry
 28 testing program to ensure continued compliance and durability of modified Subject Vehicles,

requires Defendants to implement certain corporate compliance reforms, and requires Defendants to make a civil penalty payment of \$42,700,000 to CARB and a separate penalty payment of \$3,175,200 to CARB for certain additional on-board diagnostic (“OBD”) non-compliances; and (2) a consent decree between California and Defendants (“First California Partial Consent Decree”) concerning the Subject Vehicles, lodged on January 10, 2019, that requires Defendants to make a payment of \$19,035,000 to CARB and which is intended to fully mitigate the total lifetime excess NOx emissions from the Subject Vehicles in California, as claimed by California;

WHEREAS, Defendants and the People of the State of California, by and through the California Attorney General (together, the “Parties”), have agreed to resolve the remaining aspects of the California Claims related to the Subject Vehicles without the need for litigation through this Second California Partial Consent Decree;

WHEREAS, this Second California Partial Consent Decree (referred to herein as the “Consent Decree”) resolves Defendants’ alleged violations of California Business and Professions Code §§ 17200 et seq., 17500 et seq., and 17580.5 as more fully described in the California Complaint (the “Consumer Protection Claims”), including by providing certain injunctive and monetary relief to the California Attorney General;

WHEREAS, nothing in this Consent Decree shall constitute an admission of any fact or law by any Party, including as to any factual or legal assertion set forth in the California Complaint, except for the purpose of enforcing the terms or conditions set forth herein;

WHEREAS, the Parties recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith and will avoid litigation among the Parties regarding the Consumer Protection Claims, and that this Consent Decree is fair, reasonable, and in the public interest; and

NOW, THEREFORE, before the taking of any testimony, without the adjudication of any issue of fact or law, and with the consent of the Parties, **IT IS HEREBY ADJUDGED, ORDERED, AND DECREED** as follows:

I. JURISDICTION AND VENUE

1. The Court has jurisdiction over the subject matter of this action pursuant to 28

U.S.C. § 1331, and over the Parties to the extent limited by this paragraph. Venue lies in this District pursuant to 28 U.S.C. § 1391(b), 28 U.S.C. § 1407, and the MDL Panel's Transfer Order, dated April 5, 2017. *In re Chrysler-Dodge-Jeep EcoDiesel Mktg., Sales Practices & Prod. Liab. Litig.*, 273 F. Supp. 3d 1377 (U.S. Jud. Pan. Mult. Lit. 2017) (MDL No. 2777). The Court has supplemental jurisdiction over California's state law claims pursuant to 28 U.S.C. § 1367. Defendants consent to the Court's jurisdiction over entry of this Consent Decree and over any action against Defendants to enforce this Consent Decree, and consent to venue in this judicial district for such purposes. Defendants reserve the right to challenge and oppose any claims to jurisdiction by California that (i) do not arise from the Court's jurisdiction over this Consent Decree or (ii) are not made in an action by California to enforce this Consent Decree.

2. Solely for purposes of this Consent Decree, without admission of any legal or factual assertion set forth in the California Complaint, and without prejudice to their ability to contest the legal sufficiency or merits of a complaint in any other proceeding, Defendants do not contest that the California Complaint states claims upon which relief may be granted pursuant to: 42 U.S.C. § 7604(a)(1); California Health and Safety Code §§ 43016, 43151, 43152, 43153, 43154, 43205, 43211, and 43212; 13 C.C.R. §§ 1961, 1961.2, 1965, 1968.2, and 2037 and the 40 C.F.R sections incorporated therein by reference; and California Business and Professions Code §§ 17200 et seq., 17500 et seq., and 17580.5.

II. APPLICABILITY

3. The obligations of this Consent Decree apply to and are binding upon the State of California, including the California Attorney General, and upon Defendants, as applicable, and any of their respective successors, assigns, or other entities or persons otherwise bound by law.

4. Defendants' obligations to comply with the requirements of this Consent Decree are joint and several. In the event of the insolvency of any Defendant or the failure by any Defendant to implement any requirement of this Consent Decree, the remaining Defendants shall complete all such requirements.

5. Defendants shall do all things within their power and authority to ensure that any legal successor or assign of any Defendant shall remain jointly and severally liable for the payment

1 and other performance obligations hereunder. Defendants shall include an agreement to so remain
 2 liable in the terms of any sale, acquisition, merger, or other transaction changing the ownership or
 3 control of any of the Defendants, to which any of them is a party, and no change in the ownership or
 4 control of any Defendant shall affect the obligations hereunder of any Defendant without
 5 modification of this Consent Decree in accordance with Section XII.

6 6. Defendants shall provide a copy of this Consent Decree to the members of their
 7 respective Board of Directors and their executives whose duties might reasonably include
 8 compliance with, or oversight over compliance with, any provision of this Consent Decree.
 9 Defendants shall also ensure that any contractors, agents, and employees whose duties might
 10 reasonably include compliance with any provision of the Consent Decree are made aware of those
 11 requirements of the Consent Decree relevant to their performance.

12 7. In any action to enforce this Consent Decree, Defendants shall not raise as a
 13 defense the failure by any of their respective officers, directors, employees, agents, or contractors to
 14 take any actions necessary to comply with the provisions of this Consent Decree.

15 **III. DEFINITIONS**

18 extent they offer greater protection to consumers or to the environment.

19 V. MONETARY PROVISIONS

20 13. **Monetary Payment.** Defendants shall pay to the California Attorney General
21 \$13,500,000 (“Total Settlement Payment”), to be used by the California Attorney General, at the
22 sole discretion of the California Attorney General, for the enforcement of consumer protection and
23 environmental laws by the California Attorney General, and to defray the costs of the investigation
24 leading to this Consent Decree, the FCA/US/CA Consent Decree, and the First California Partial
25 Consent Decree, and of the California Attorney General’s ongoing monitoring of Defendants’
26 compliance with these consent decrees.

27 14. **Allocation of Total Settlement Payment.** The Total Settlement Payment
28 comprises (i) \$8,300,000 to resolve the Consumer Protection Claims concerning the no fewer than

13,515 Subject Vehicles sold or leased in California; and (ii) \$5,200,000 to defray the costs of the investigation leading to this Consent Decree, the FCA/US/CA Consent Decree, and the First California Partial Consent Decree, and of the California Attorney General's ongoing monitoring of Defendants' compliance with these consent decrees.

16. Defendants are responsible for any bank charges they incur for processing wire transfers.

VI. EFFECT OF SETTLEMENT/RESERVATION OF RIGHTS

17. Upon the Effective Date, and subject to the reservations in Paragraph 19, Defendants' satisfaction of the requirements in this Consent Decree shall resolve, settle, and release California's claims, asserted by and through Xavier Becerra, Attorney General of the State of California, against Defendants, their successors, and all affiliates, parents, or subsidiaries of Defendants identified in Appendix F of the FCA/US/CA Consent Decree ("Appendix F"), and any present or former directors, officers, or employees of Defendants or their affiliates, parents, or subsidiaries identified in Appendix F, provided that such persons were acting within the scope of their employment for the violations alleged in the California Complaint, and also as follows:

a. All civil claims for relief that were brought or could be brought by the California Attorney General under California Business and Professions Code §§ 17200 et seq., 17500 et seq., and 17580.5, or under any other consumer protection, unfair trade and deceptive acts and practices laws, including any such claims in common law or equity, arising from or related to the Covered Conduct concerning the Subject Vehicles, including for civil penalties, fines, other monetary payments and injunctive relief.

b. All claims against Defendants that were brought or could be brought for relief to consumers (including claims for restitution, refunds, rescission, damages, disgorgement or other monetary payments, and attorneys' fees and costs), arising from or related to the Covered Conduct concerning the Subject Vehicles. In exchange for this release of the California Attorney General's claims for relief to consumers, Defendants shall provide the relief to the consumers that is provided for in the FCA/US/CA Consent Decree, as well as the relief to consumers that is provided for in the consumer class action settlement concerning the Subject Vehicles to be filed by the Plaintiffs' Steering Committee ("FCA Consumer Class Action Settlement"), subject to judicial approval of the FCA/US/CA Consent Decree and the FCA Consumer Class Action Settlement. This paragraph does not release any claims held by individual consumers, nor create any right for any individual consumer to enforce.

c. All claims for costs and attorneys' fees, including as alleged in the California Complaint.

18. To the extent that any claims released herein are duplicative of claims to be released, settled, or resolved by California under the FCA/US/CA Consent Decree or First California Partial Consent Decree, those claims are not released unless or until the Court approves and enters the FCA/US/CA Consent Decree and the First California Partial Consent Decree.

19. California reserves, and this Consent Decree is without prejudice to, all claims, rights, and remedies against Defendants with respect to all matters not expressly resolved in Paragraph 17. Notwithstanding any other provision of this Decree, California reserves all claims, rights, and remedies against Defendants with respect to:

- a. Enforcement of the terms of this Consent Decree;
- b. All rights reserved under the FCA/US/CA Consent Decree and First California Partial Consent Decree, except as provided under this Consent Decree, including in paragraph 17 of this Consent Decree;
- c. Any criminal liability;
- d. Any part of any claims for the violations of securities laws or the California False Claims Act, California Government Code §§ 12650 et seq.;

1 e. Any other claims of any officer or agency of the State of California other
2 than CARB; and,

3 f. Any claims held by individual consumers.

4 20. This Consent Decree, including the release set forth in paragraph 17, does not
5 modify, abrogate, or otherwise limit the injunctive and other relief to be provided by Defendants
6 under, nor any obligation of any party or person under the FCA/US/CA Consent Decree or the First
7 California Partial Consent Decree.

8 21. This Consent Decree shall not be construed to limit the rights of California to
9 obtain penalties or injunctive relief, except as specifically provided in paragraph 17. California
10 further reserves all legal and equitable remedies to address any imminent and substantial
11 endangerment to the public health or welfare or the environment arising at any of Defendants'
12 facilities, or posed by the Subject Vehicles, whether related to the violations addressed in this
13 Consent Decree or otherwise.

14 22. In any subsequent judicial proceeding initiated by California for injunctive relief,
15 civil penalties, or other relief, Defendants shall not assert, and may not maintain, any defense or
16 claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim
17 preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by
18 California in the subsequent proceeding were or should have been brought in the instant case,
19 except with respect to the claims that have been specifically released pursuant to paragraph 17.

20 23. This Consent Decree is not a permit, or a modification of any permit, under any
21 federal, State, or local laws or regulations. Defendants are each responsible for achieving and
22 maintaining complete compliance with all applicable federal, State, and local laws, regulations, and
23 permits; and Defendants' compliance with this Consent Decree shall be no defense to any action
24 commenced pursuant to any such laws, regulations, or permits, except as set forth herein.
25 California does not, by its consent to the entry of this Consent Decree, warrant or aver in any
26 manner that Defendants' compliance with any aspect of this Consent Decree will result in
27 compliance with provisions of the Clean Air Act, or with any other provisions of United States,
28 State, or local laws, regulations, or permits.

24. Nothing in this Consent Decree releases any private rights of action asserted by entities or persons not releasing claims under this Consent Decree, nor does this Consent Decree limit any defense available to Defendants in any such action.

25. This Consent Decree does not limit or affect the rights of Defendants or of California against any third parties, not party to this Consent Decree, nor does it limit the rights of third parties, not party to this Consent Decree, against Defendants, except as otherwise provided by law.

26. Except for any person or entity released by paragraph 17, this Consent Decree shall not be construed to create rights in, or grant any cause of action to, any third party not a party to this Consent Decree. No such third party shall be entitled to enforce any aspect of this Consent Decree or claim any legal or equitable injury for a violation of this Consent Decree.

27. Nothing in this Consent Decree shall be construed as a waiver or limitation of any defense or cause of action otherwise available to Defendants in any action. This Agreement is made without trial or adjudication of any issue of fact or law, without any admission of fact or law, and without any finding of liability of any kind.

VII. NOTICES
